

Job Title: Construction Estimator

Location: Airdrie, AB

Job Description:

The Vesta Group of Companies is looking for a Construction Estimator for its Airdrie office.

Vesta Properties is a real estate development organization that develops, builds, markets and sells residential properties. The company has been in business for over 22 years and has built more than 2,500 units during that time. The company's focus on quality, professionalism, organization and integrity, has driven its current position as a market leader in both the Fraser Valley and Calgary area housing markets.

Candidates should have 2-3 years estimating experience in wood frame construction with a professional builder. Completion of a related technical school program is preferred. The Construction Estimator will be involved in coordinating the procurement process for a variety of wood frame projects as well as other construction management tasks. The candidate reports to the construction manager and will work with our sales and on site construction staff as well as our trades, consultants and suppliers. Excellent written & oral skills are essential as well as good working knowledge of MS Office applications. Annual compensation is in the \$50,000 – 60,000 range,

Please send resumes and references via email to Construction_AB@vestaproperties.com. No phone calls please, only selected candidates will be contacted.
