Welcome to **On the Park**, a distinctive collection of contemporary homes featuring 68 prominent lots nestled in the heart of Luxstone Park Estates.

Designed to accommodate the many lifestyles of modern families, On the Park offers a diverse selection of exceptional home designs. These estate homes range from stylish, classic traditional designs to those highlighted by a great room.

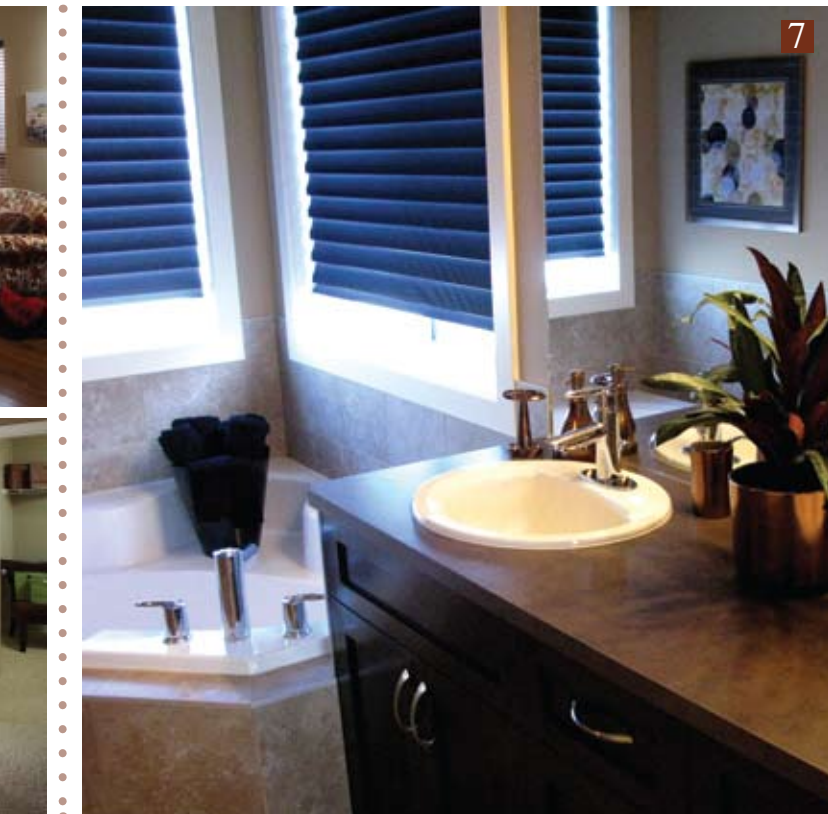

Three quality builders are creating estate homes and here is just a peak at the stunning attention to detail each show home offers.

Douglas Homes: 1) The bright airy great room, 2) the spacious master bedroom, 3) the well-appointed kitchen with extensive counter space and warm cabinetry create a dream kitchen.

Vesta Homes: 4) The kitchen features rich maple espresso-colored cabinets, black pearl granite countertops and a maple cappuccino hardwood floor. 5) A large window showing off the large yard has a boxed-out window to capture more light in the great room. 6) Double windows give the master bedroom extra light, enhancing the spaciousness.

Talisman Homes: 7) The ensuite boast his and hers vanities. 8) Built-in maple shelves bookend the fireplace of the main floor family room. 9) An oversized island and stunning granite countertops highlight an extremely spacious and functional kitchen.

Vesta's newest community is right on the money for choices, style, amenities and of course location ... on the park!
